

GLOBAL GREENTAG INTERNATIONAL PRODUCT ASSESSMENT TEAM

BAMBANG RIYADI KOPROTO **Assessment Team Leader and Lead Product Assessor**

Bambang holds a Master's degree in Environmental Management and a Bachelor's Degree in Biological Science. He is a qualified Exemplar Global Environmental Management Systems Lead Auditor.

Bambang's Responsibilities include managing multiple projects that are mainly from South Africa, Malaysia, Australia, and New Zealand. He is responsible in other tasks such as client liaison, project management, information collation and assessment, technical research and website maintenance. Additionally, he is responsible for certification collateral production that involves reporting and working with client technical and factory representatives to achieve certification for products under the Global GreenTag International Standards.

Knowledgeable in the major green building rating tools, including Green Star® Australia and South Africa, LEED® and BREEAM®, Bambang also handles all aspects of contract administration for the Product Assessment Team to ensure contracts are compliant with and fulfil contract conditions.

GLOBAL GREENTAG INTERNATIONAL

Global GreenTag International provides Type 1 (third party) product certification, declaration and verification programs for manufacturers with exemplar green product lines in building materials, interiors, personal care and cleaning products.

Using Global GreenTag Cert™ (one of the most scientifically advanced, product certification standards in the world) Global GreenTag simplifies the selection of environmentally sustainable, healthy and ethical products for industries like Architecture, Design and Construction. The system both assesses and ranks products through leading LCA and LCBA based product ecolabelling and rating schemes that also include a CarbonRATE™ scheme.

Global GreenTag also provides third party, assessed product declaration programs – an Environmental Product Declaration (EPD), a Product Health Declaration (PHD) and a Modern Slavery Declaration (MSD), which is the first product level declaration of its kind in the world to help manufacturers and procurement teams eliminate modern slavery occurring in global supply chains.

Helping professionals to make informed decisions about preferred green and ethical products to protect both the health of environment, workers and consumers, Global GreenTag currently has more than 16,000 products under certification in over 22 countries, used in buildings and offices throughout Australia and the world.
