

# GLOBAL GREENTAG INTERNATIONAL PRODUCT ASSESSMENT TEAM

## **Jill Jing**

### **Product Assessor and Assessment Team Process Manager**

**Jill** holds a Master's Degree in Environmental Engineering and Wastewater & Waste Engineering from the University of NSW. She has hands-on experience as an environmental consultant in developing solutions to address environmental problems and has a passion for sustainable development and the Circular Economy.

Jill's experiences include greenhouse gas generation/emission assessments, environmental monitoring, assessments of environmental monitoring data, waste strategy reviews and resource recovery assessment in both private and government sectors.

As a qualified Exemplar Global Environmental Management Systems Lead Auditor, Jill's responsibilities with Global GreenTag include liaison with clients in Mainland China, project management, information collation and assessment, technical research, certification collateral production and reporting and working with client technical and factory representatives to achieve product certifications under the Global GreenTag Standards.

Jill also handles all aspects of contract administration to ensure contracts are compliant with and fulfil contract conditions and is knowledgeable in the major green building rating tools including Green Star®, LEED® and BREEAM®

## GLOBAL GREENTAG INTERNATIONAL

Global GreenTag International provides Type 1 (third party) product certification, declaration and verification programs for manufacturers with exemplar green product lines in building materials, interiors, personal care and cleaning products.

Using Global GreenTag Cert™ (one of the most scientifically advanced, product certification standards in the world) Global GreenTag simplifies the selection of environmentally sustainable, healthy and ethical products for industries like Architecture, Design and Construction. The system both assesses and ranks products through leading LCA and LCBA based product ecolabelling and rating schemes that also include a CarbonRATE™ scheme.

Global GreenTag also provides third party, assessed product declaration programs – an Environmental Product Declaration (EPD), a Product Health Declaration (PHD) and a Modern Slavery Declaration (MSD), which is the first product level declaration of its kind in the world to help manufacturers and procurement teams eliminate modern slavery occurring in global supply chains.

Helping professionals to make informed decisions about preferred green and ethical products to protect both the health of environment, workers and consumers, Global GreenTag currently has more than 16,000 products under certification in over 22 countries, used in buildings and offices throughout Australia and the world.
